Dear Colin,

Thank you very much for allowing the Mayor of Winchester and myself to spend part of our Civic Day at Mid-Hants Railway.

The tour of the Watercress Line sheds and Pullman train was fascinating and thoroughly enjoyable, the food was delicious, as always, and the surroundings very relaxing. All of my guests enjoyed the day immensely.

Please pass on my personal thanks to David Snow, for his very informative talk and tour, Sheila Love, for information on the Education side, Sue Clements for helping co-ordinate the day and Nicola Ferrier and her wonderful team of volunteers for the superb lunch they served, no mean feat on a moving train!

Many thanks again.

Yours sincerely,

*Chris Graham*
