Dear Watercress Line

I am writing on behalf of all the families from Piam Brown Ward who came to the Day Out with Thomas on Sunday to thank you so much for your support.

The generosity of Wallenius Wilhelmsen Logistics gave 10 families the opportunity to enjoy an outing with your super steam engines, not forgetting the diesel characters too. It was such a shame that some families were unable to come on the day due to treatment, but hopefully they will have the opportunity in the future. We were blessed with good weather for the whole day and by the looks of excitement on the children's faces, they all had a really fun time. Giving the families a break together, with such joy, is so important to help them through their situations.

Your ongoing support for the families on Piam Brown is greatly appreciated. I look forward to working with you again in the future.

Once again thank you so much for your support.

With very best wishes

Rachel Funnell
