

Building your own Watercress Time Line

What can I discover?

You can discover when the railway was built and investigate how it runs today. You can see engines, carriages, trucks, buildings, and restoration projects.

What can I use to help me to make a time line?

- These photographs will give you clues to interesting places and things to look out for along the line.
- Can you work out how old things are?

- Look out for information boards at the stations and visit the Engine Yard and Viewing Galleries at Ropley

What do I need to do?

Build your own time line on the sheet. You could use these photographs, take your own or get sketching to record the things you want to put on your time line. There are lots more hints and tips in the Children's University Parent's Fact Sheet.

Need to get your Passport stamped?

Visit the Information Office on the platform at Alresford Station where the staff will be happy to stamp it for you.

My notes and sketches

My Time Line

Level 1

I have put this on my time line because...				
<hr/>	<hr/>	<hr/>	<hr/>	<hr/>
<hr/>	<hr/>	<hr/>	<hr/>	<hr/>
<hr/>	<hr/>	<hr/>	<hr/>	<hr/>
<hr/>	<hr/>	<hr/>	<hr/>	<hr/>
<hr/>	<hr/>	<hr/>	<hr/>	<hr/>

Would you like to share what you have discovered?

Send your time line to education@watercressline.co.uk and look out for it on our Tales of the Rail page on the web site www.watercressline.co.uk/learning&discovery
