We respectfully ask photographers to remain in publically accessible areas. Please note that the field and crossing at Wanders Curve between Ropley and Medstead is not publically accessible land. Due to the amount of photographers that congregate in this area, we have been asked by the land owner to point out that this is private property and you will be trespassing in this field without the land owners consent. Cars parked in the access to the fields will be removed by the land owner. The railway asks that you respect the wishes of our neighbours and you do not trespass on to private property. Thank you.
